Notes

- (1) At the time of adoption of the Model Constitution members resolved that for Club purposes the terms Commodore and Vice-Commodore will be used in lieu of the terms President and Vice-President. The Commodore and Vice-Commodore have the same duties and responsibilities as those defined for the President and Vice-President in the Model Constitution.**
- (2) MHASC has its own membership application form available on the Club website mhasc.org.au to meet specific requirements of NSW Roads and Maritime for our Aquatic Licence. This replaces the membership form referred to in Clause 3(1)(a).**
- (3) Following the discussion at the 2010 AGM about membership requirements the Club Committee agreed that the Secretary, in consultation with the Commodore, is delegated to approve new members who are active Laser sailors, or active in support of Laser sailing, provided that the number of members not exceed 65. In the event that applications are received that do not appear to meet the active Laser sailing test, or the number of members begins to approach 65, applications will be referred to the full Committee in accordance with Clause 3(2).**
