Members are required to abide by the Rules of the Club which are available on the Club website, and to accept the following **Membership Terms and Conditions:**

- I agree that my email address will be used for communication on Club and sailing matters, and will be available to other members for these purposes. I will not use or disclose the email address of other Club members for communication on other matters without the agreement of that member.
- I agree that membership of the Middle Harbour Amateur Sailing Club is entirely at my own risk. I will not hold the Club or its Officers liable for any injury to persons, or damage to equipment, in the event of a mishap on the water, or on the Club's premises.

- I acknowledge the risks inherent in Laser sailing, and that the Club does not and cannot provide rescue facilities for all contingencies. Attention is drawn to **Racing Rules of Sailing Rule 4 Decision to Race**: The responsibility for a boat's decision to participate in a race, or to continue racing, is hers alone. I will always wear an approved PFD 2 (EN393-50N) when sailing a Laser.
- I acknowledge that insurance for person and property is my own responsibility, and that the Club's insurance does not cover my participation in Club activities. I undertake to maintain Third Party liability insurance of at least \$10 million, and understand that the Club strongly recommends I have comprehensive insurance. I will provide the Club with details of my insurances when requested.
- I agree that storage of my boat, spars, foils, fitting and other personal possessions on the club's premises is entirely at my own risk. I acknowledge that the insurance policies held by the Club do not cover these items.
- My boat, spars, foils and fittings and dolly are clearly marked with my name and boat number.
- If allocated a rack, I will keep my boat and dolly in the locations allocated unless a new location is approved by the Racking Officer. I acknowledge that the Racking Officer may change my rack allocation to meet the operational needs of the Club.
- Only in exceptional circumstances and with the prior approval of a Committee Member will I use clubhouse access areas for the storage of my boat or gear.
- I accept that storage of my boat at the Club's premises is conditional on me being a fully paid member of the Club and that racking will be allocated on the basis of sailing frequency with the Club and overall contribution to the Club. If requested, I agree to remove my boat from the Club premises if I am not a financial member of the club, or if I am not sailing regularly.
- I will not operate the davit crane without authorisation from the Management Committee.
- I accept that if I fail to pay my fees for one or more years, the Club has the right to sell my boat if stored at the Club, to recover unpaid fees.

Note for Parents and Guardians You should discuss whether the Club is suitable for your young person with the Commodore or Vice-Commodore before seeking membership. The Club wants to be assured that its junior members have sufficient skills and experience to participate in the Club's events and activities. The Club does not operate events or training programs specifically for junior sailors.

Privacy Policy

Any personal information you provide to MHASC will only be used for the purpose of operating a sailing club, including the release of details to the State and National Yachting Authorities and Class Associations. If you have any queries or concerns about your personal information please contact the Club Secretary.
